

Help Beautify the Hillsboro Light Station!

Establish Your Place in the Future In a Beautiful Corner of our Past

The Hillsboro Lighthouse Preservation Society's Commemorative Brick Patio Program gives you the opportunity to have your special message engraved on a paver that becomes a permanent part of the Hillsboro Light

Station! An engraved brick is the perfect way to commemorate a special occasion or serve as a lasting tribute to a friend, family member or pet. Whatever the message, your brick represents a unique memory to be cherished for

years to come.

This year, create a lasting tribute to those who have been special in your life. A Commemorative Brick in honor of a loved one will carry an enduring message of remembrance for generations.

The Hillsboro Lighthouse Preservation Society was founded in 1997 for the purpose of preserving the historic Hillsboro Light Station in its original form for the safety, enjoyment, and education of the public. Our mission today is to promote the history of the Hillsboro Lighthouse Station and the Hillsboro Inlet area through preservation of

structures and artifacts, education and public access tours.

For more information about the HLPS Commemorative Brick Project, please contact:
